

Dear Parent or Guardian,

Confidence in math class will help your child succeed in high school and beyond. This year, in Algebra 1, your child will learn skills that are essential for higher-level math classes and for important standardized exams such as the ACT Aspire and the SAT. To support and solidify your student's math and reasoning skills and to set her/him up for success, Mobile County Public Schools has partnered with **ALGEBRA NATION** to provide FREE intensive, interactive algebra resources that are available 24/7.

### What is ALGEBRA NATION?

**ALGEBRA NATION** is a dynamic free algebra resource that provides instructional videos, workbooks, and interactive tutoring to help students succeed in Algebra 1.

Students and parents can access **ALGEBRA NATION'S** versatile resources, including videos and free online tutoring via our moderated Algebra Wall. **ALGEBRA NATION** is available 24/7 online, on iPads, and on iPhones and Android phones. To download our iPhone and Android apps, search for '**ALGEBRA NATION**' in your phone's app store.

- **ALGEBRA NATION's** highly interactive **videos** help your child review material from class, even after school or on the weekends.
- **Free workbooks** include **study guides** for each topic so your child can follow along with every video by writing notes and answering questions.
- The online "**Test Yourself!**" Practice Tool following each section of material allows your student to check if he/she understood the concepts.
  - "Test Yourself!" questions reflect the rigor of high-stakes standardized exams, while offering *instant* feedback to help your student improve.
  - The results page for each section will not only display what your child got right or wrong, but will also feature videos that break down how to solve each problem.
- The **Algebra Wall** is an interactive forum where students can ask and answer questions about the material.
  - Study Experts and teachers answer questions and read every thread to ensure the accuracy of peer replies.
  - Students earn Karma Points when they answer questions or help other students on the Algebra Wall. During the school year, top Karma Point earners win prizes at the end of each month.

## Check out our resources today!

To learn how to use **ALGEBRA NATION** to support your Algebra 1 student, visit [AlgebraNation.com/AL](https://AlgebraNation.com/AL) and click "Enter". Type the name of your child's school. On the next screen, ask your child to log in using his/her district log-in credentials.
